BUSINESS OF THE HOUSE

Mr. SPEAKER.—Perhaps Members thought that these questions will come up at One O'clock and so most of the Members are not present. So, I will hold over all the Questions that have not been answered.

Sri S. SIVAPPA.—Unfortunately questions belonging to Members who are present here are not at all appearing in the List of Questions ; not even one question of mine has come.

Mr. SPEAKER.—Why should the Leader of the Opposition put a question ? The convention in the House of Commons is that the Leader of the Opposition never puts any question. His word is valued so high that if he expresses a request it will be met by the Government by furnishing any information that is wanted. We must cultivate that convention. In the interest of all, I am holding over the rest of the Questions.

Members' Representations

Sri C. J. MUCKANNAPPA (Sira).—I just want to draw the attention of the Hon'ble Speaker to an important matter on which the Deputy Minister for Municipal Administration has issued a policy statement about free water supply in Bangalore. You have observed that there is a ruling that policy statements cannot be made outside. The Chief Minister, however, intervened and said that he would look into the matter. In the Lok Sabha, the Hon'ble Speaker directed the Home Minister to make a statement by 3 p.m. because the matter was very urgent. Yesterday there was 'panjina meravanige' and all that. May I request the Hon'ble Speaker to let the Chief Minister or the Minister for Municipal Administration to make a statement in this regard.
